Hey, I just downloaded this movie but it won't play properly, is there a fix for that? Sorry for the long question, and thank you! I just have to get it properly working! :D Parks, Texas I think the first episode of the series "ReMastered" did a good job in explaining the story of the film, even if its terminology is far from "simple." First of all, it is not the same as a remastering, in fact, my DVD is not "remastered" by this company, as its a completely new release, so I am very surprised that it is missing 2 out of the 4 discs that come with the release. My disc is Region Free so I tried playing it on my Vizio 32" LCD, but I have not had a chance to play it on my home Blu-ray player yet. Maybe the h264 would not have been so bad? The video quality is fairly good, colors are very good, and contrast is adequate. The audio and sub is average. Eddie, Michigan Is there a way to check the quality of my r 50b96ab0b6
